

REMARKS

Claims 108-110, 112, and 123-153 remain in this application. Claims 85-107, 111, and 113-122 have been cancelled without prejudice. The Applicants respectfully request reconsideration of this application in view of the above amendments and the following remarks.

Allowable Subject Matter

As an initial matter, the Applicants would like to thank the Examiner for his careful search, examination, and for finding allowable subject matter. The Examiner has indicated that claims 108-112 are allowable. Of these, claims 108-110 and 112 remain in the application. New claims 123-153 are also believed to be allowable. Of these, claims 123-136 depend from claim 108 and are believed to be allowable therefor, as well as for the recitations independently set forth therein. Independent claim 137 is believed to be allowable for a reason similar to the reason claim 108 is allowable. Claims 138-153 depend from claim 137, and are believed to be allowable therefor, as well as for the recitations independently set forth therein.
